Done. I did swear to tell the truth. Too bad the lawsuit did not.

Sheriff,

Attached is a short declaration that Barry Kling can sign to attach the official resolution from 5/26. It's just a way to enter the official board record into the Court record – maybe not the usual way or even the best way but it is a possible way, and I think it will satisfy what the Court asked me to do.

I don't have any contact information for Barry; I understand that you do. Can you get a signed copy of this with the resolution attached into Ruth Esparza's hands for a 5 pm filing?
